Brickton Montessori School Community Involvement Hours (2026-2027)

What are Community Involvement Hours?

The Board of Directors of Brickton Montessori School has launched an initiative to encourage and document the strength and uniqueness of our school community. Families learn more about the culture of the school and, in turn, our community becomes richer and stronger. Therefore, we are asking families to participate at a minimum of 10 hours of service throughout the year. It is easy to find a wide variety of ways to participate.

Who can participate?

The Community Involvement Hours are per family and not per student. These hours are to be contributed by the grown-ups in our community. In addition to parents and grandparents,extended relatives and friends can earn hours on behalf of a student.

How do I track my hours?

Families can use this tracking form or email Kelly McDermott at kelly.mcdermott@brickton.org with your name, contact information, a brief description of your volunteer effort, and the number of hours you have volunteered. Alternatively, families can drop off a paper copy in the main office. You can submit through one of these methods as you go or all at once by June 1, 2027.

How do I contribute hours?

We understand that a time commitment is challenging for families. Examples of how some families have contributed include building playground equipment, setting up or cleaning up at school events, attending the annual Montessori Journey, participating in a Parent Alliance meeting, joining a committee, or volunteering in your child's classroom. If you are unsure whether an effort will count as volunteerism, please check in with Kelly McDermott (kelly.mcdermott@brickton.org) or call (773) 714-0646.
