TO UPDATE

Medical Profile

To update any **medical** information for students, please follow the steps below:

1. Log in to your **VERACROSS BRICKTON** account (Login here)
2. Go to **Update Family Profile**
3. Go to **Medical Profile**
4. Select the **entry type** - fill in medical information and **Submit** after you finish.

Allergies - please list all allergies and the dietary restrictions here.
Current medications - please list any prescribed medications the student is taking.
Allowed medications - please list all the medications you permit the school to administer (e.g., Tylenol as needed for teething).
General - please add any important information we should know about your child's current medical condition.

IMPORTANT

Any medication administered at school must be accompanied by the Brickton Medication Consent Form, and in the original box with the prescription labeled attached.

IMPORTANT

Please add the parents / primary care givers as a Medical Notifications Recipients in the Household Profile (Update Family Profile) menu.
